Clinton Rossiter : 1787: The Grand Convention before purchasing it in order to gage whether or not it would be worth my time, and all praised 1787: The Grand Convention:

2 of 2 people found the following review helpful. We the People....By JimdusIf you think 'State' is just another word for 'Province', the Electoral College is an anachronism, or the Second Amendment was to protect hunters...please read this (before it's too late). Wonderful insights on who the Founders were, what their concerns were, and how they found common ground to produce the most enduring framework for a government the world has ever known.2 of 4 people found the following review helpful. A great read!By Calvin K. ClausRossiter made the events of that hot summer of 1787 come alive. The struggle for ratification of the Constitution was also covered well.0 of 2 people found the following review helpful. Five StarsBy Danny HarvanekReceived as described - great service !

Consistently provocative . . . The political method of the framers and its historical appropriateness are luminously explained. *Journal of American History* In this masterly account of the Philadelphia summer when our Constitution was born, Clinton Rossiter establishes his claim that the year 1787 is preeminent in American history. Bringing to life the setting and the challenge, he shows how the delegates hammered out the document on which our government and institutions rest today.
