Woodeene Koenig-Bricker : 365 Saints: Your Daily Guide to the Wisdom and Wonder of Their Lives before purchasing it in order to gauge whether or not it would be worth my time, and all praised 365 Saints: Your Daily Guide to the Wisdom and Wonder of Their Lives:

3 of 3 people found the following review helpful. Great little book By jpie Great little book. Just what I was looking for.

I was raised Catholic went to parochial school. I remember learning about all the saints. Now I'm getting older (and forgetful) so this brings back wonderful memories! My husband also likes learning about all the "Saints". 2 of 2 people found the following review helpful. Daily Reading By Jen53014 This is such a nice book to learn a bit about each saint. It is comprehensive and thought provoking. I was looking for a few daily books and this was one of three I purchased - it is by far my favorite - so much so that I sent one to a relative! I am three months into the daily readings and look forward each day to what I will learn about a saint. I highly recommend this book to learn more (or first time) about saints - it has piqued my interest on some that I am reading more in depth about their lives. 0 of 0 people found the following review helpful. Five Stars By Melanie Palmer I love this calendar and use one every year. Grateful to find it at .

Let the Saints' lives guide and touch your life each day! The life of a saint is the life of an ordinary person lived well. And that's the life readers will discover in this delightful and often surprising collection of words and wisdom from saints throughout the ages. A lovely and inspiring gift book, *365 Saints* illuminates how the saints actually lived, detailing their hopes, fears, joys, and sorrows, as well as their lesser-known idiosyncracies and sayings. Witty and wondrous, simple and sublime, *365 Saints* offers a full year of meditations and practical suggestions for emulating the saints today.

Words and wisdom of the saints can touch our daily lives: this gathers wisdom from many saints and presents 365 days of suggestions and meditations, with each day including outlines of saints' experiences, simple one-line advice, and expanded illustrations of the sayings. A fun, revealing manual. -- Midwest Book About the Author
