Excellent addition to personal library for researchers. 0 of 0 people found the following review helpful. Five Stars By Judy Cavallo Varied family connections I found on Ancestry.com.

This work concentrates upon families with a strong connection to Virginia and Kentucky, most of which are traced forward from the eighteenth, if not the seventeenth, century. The compiler makes ample use of published sources some extent original records, and the recollections of the oldest living members of a number of the families covered. Finally. The essays reflect a balanced mixture of genealogy and biography, which makes for interesting reading and a substantial number of linkages between as many as six generations of family members.
