(Consignment)INTERESTING0 of 0 people found the following review helpful. Very interesting.By Stan SmithVery

good for ancestry research. 2 of 4 people found the following review helpful. NOT so much for genealogy
By Ron Stephens
As the title implies, this is an overview-type book. If you are looking for family details, you are not likely to find them unless your family member was a prominent Quaker. Your best bet may be the records of an individual Quaker 'meeting' near where your family lived in Colonial or Revolutionary America.

In which Their Fundamental Principle, Doctrines, Worship, Ministry and Discipline are Plainly Declared; with a Summary Relation of the Former Dispensations of God in the World, by Way of Introduction. This book, "A Brief Account of the Rise and Progress of the People Called Quakers", by William Penn, is a replication of a book originally published before 1816. It has been restored by human beings, page by page, so that you may enjoy it in a form as close to the original as possible.

About the Author
William Penn (14 October 1644 30 July 1718) was the son of Sir William Penn, and was an English real estate entrepreneur, philosopher, early Quaker, and founder of the Province of Pennsylvania, the English North American colony and the future Commonwealth of Pennsylvania. He was an early advocate of democracy and religious freedom. (Wikipedia)
