Steven Paulson : A Brief Introduction to Martin Luther before purchasing it in order to gage whether or not it would be worth my time, and all praised A Brief Introduction to Martin Luther:

0 of 0 people found the following review helpful. A Well Written IntroductionBy The Geeky CalvinistIn the year 2017 a celebration like no other will commence. A celebration 500 years in the making, for the Protestant Reformation has its quincentennial anniversary. Due to this tremendous event, books, documentaries, and other forms of media have been devoted to exploring the untold stories of the Protestant Reformation. While some stories have gone yet Untold there is also a necessity to bring to light in easy to read English the most famous accounts of some of the most

polarizing figures in history. One of these polarizing figures is the man who sparked the Reformation and was considered its for most leader, Martin Luther, the man who nailed the 95 Theses on Wittenberg Chapel and who created the division from the Roman Catholic Church. One of the works which has been blessed to us due to this anniversary is its work produced by Westminster John Knox Press entitled, a brief introduction to Martin Luther, by Steve Paulson. In this work Paulson in introductory fashion delves into the life of the man who changed the face of the world. And in his biographical account Paulson demonstrates why Luther took the steps he did, undertook the actions he accomplished, and further the cause he held to be right. This introductory biographical work is a great book for those who may not know much about the founder of the Protestant Reformation yet wish to be acquainted with his life and Major Works. I highly recommend it to any person who would like a primer on Luther prior to the Celebration of the momentous occasion of the creation of the Protestant Reformation. This book was provided to me free of charge from Westminster John Knox Publishing in exchange for an unbiased, honest review. 1 of 1 people found the following review helpful. Theological answers... so many "AH-HA!" moments! By Peter J. Nordquist However, this extremely well-written book deserves all the seriousness one can muster... the contents will change your life forever! For me, the pursuit of theological understanding has been very difficult; it seems for every answer the Pastor provides, I've come away with ten more questions! But, here in this book, I used a highlighter to gratefully underscore all sorts of new awareness, so much so, that I now have to order a new copy... I have more yellow highlighted words than non-highlighted words! GET THIS BOOK!!! 3 of 4 people found the following review helpful. Old Book Republished By Thomas L. Welch This is Luther for Armchair Theologians republished for the anniversary of the Reformation. Don't make my mistake of purchasing the same book in a new cover! The book itself is great!

In the sixteenth century, Martin Luther started a reformation movement that revolutionized Europe and the history of the Christian faith. His far-reaching reforms of theological understanding and church practices dramatically changed both church and society in Europe and beyond. In honor of the 500th anniversary of the Reformation, Steven Paulson provides an engaging, concise introduction to Martin Luther's life and the major themes in his theology.

About the Author Steven Paulson is Professor of Systematic Theology at Luther Seminary in St. Paul, Minnesota. He is an ordained pastor of the Evangelical Lutheran Church in America.
