**Michael R. Weisser : A Brotherhood of Memory: Jewish Landsmanshaften in the New World** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Brotherhood of Memory: Jewish Landsmanshaften in the New World:

Book by Weisser, Michael R.

From the AuthorI wrote this book because my grandparents' generation had come to this country and made a life for themselves and their families and i wanted to tell their story before it was too late. I also wanted to show how immigrants from different countries learned to balance the old World against the New World and use experiences in both to get through their lives.
