**Edward P. Hahnenberg** : **A Concise Guide to the Documents of Vatican II** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Concise Guide to the Documents of Vatican II:

The sixteen documents of the Second Vatican Council are the most important texts produced by the Catholic church in the past four hundred years. They shape virtually every aspect of church life today. But hardly anyone ever reads them

From the Introduction In this indispensable guide, Edward P. Hahnenberg outlines each of the documents produced by the Second Vatican Council. Offering the background for each work, its language and context, this book provides a clear and concise overview of the Council's work and its significance in the life of the church. Each document's history, content, major concerns and effects are considered. Significant quotes provide a sample of the language, and contemporary topics provide discussion opportunities. Scripture scholars and students and every Catholic will find this a valuable resource.
