From Hendrickson Publishers : A Dictionary of Early Christian Beliefs: A Reference Guide to More Than 700 Topics Discussed by the Early Church Fathers before purchasing it in order to gage whether or not it would be worth my time, and all praised A Dictionary of Early Christian Beliefs: A Reference Guide to More Than 700 Topics Discussed by the Early Church Fathers:

0 of 0 people found the following review helpful. An Essential and Invaluable Work!By M.V. BaxterNext to the Bible itself, this book is the most important collection of the early church's interpretation of the New Testament. It is invaluable to any Christian who seriously wants to know exactly what the New Testament authors meant when they pinned their words.An essential book for any serious student of Biblical Studies.1 of 1 people found the following review helpful. Every Christian Should Have "A Dictionary of Early Christian Beliefs."By R. W. MoserThis is an excellent resource for anyone who wants to study authentic Christianity! There are over 700 topics, each topic starts with pertinent Bible verses followed by comments from primitive Christians who spoke Greek and lived in the Greco-Roman culture. Some writers had been disciples of the Apostles. What better sources could we want?0 of 0 people found the following review helpful. Excellent CompilationBy CustomerA very helpful source for both the academic and average person who wants to know what the early Fathers of the Church wrote about various subjects. A good and larger complement to the excellent book, "The Church Fathers According to Topic," which includes also great figures like Jerome, Augustine, Chrysostom, and others from the 4th Century and after.

A compendium of quotations culled from the ten volume Ante-Nicene Fathers and arranged by subject for quick reference. The quotes include comments on 700 theological, moral, and historical topics from prominent figures such as Origen, Clement of Alexandria, Clement of Rome, and Hippolytus. Some entr

"At times sermons and books refer to the beliefs and writings of early Christian leaders, and this dictionary is a compilation of those, arranged according to more than seven hundred topics. What did Clement of Alexandria say about abortion? What did Irenaeus note concerning the priesthood of the believer? How did Justin Martyr view the matter of divorce? Needless to say, the book is very interesting."The book begins with a 'Who's Who' listing of the ante-Nicene Fathers whose comments are included throughout this reference tool. The section lists not only their names but also what they are remembered for, when they lived, and how to pronounce their names. 'How to Use This Dictionary' at the beginning is useful too. . . . it is good to have a handy resource on what [the church fathers] believed and said." --"Baptist Bulletin""A Dictionary of Early Christian Beliefs " is the best overall introduction to the ante-Nicene fathers in print, and is perfect for group study! The ultimate Sunday school reference work.--
