3 of 4 people found the following review helpful. Excellent Reference material for research paper on Black Christianity By Helen Daniels The journey of how African slaves embraced the Bible on their journey from slavery to

freedom in America was well documented.

In this fascinating collection of essays, Albert Raboteau reexamines the rich history of the African-American religious experience. Through his exploration of traditions that include the Baptist revivals, the AME Church, Black Catholics and African Orisa religions, Raboteau demonstrates how the active faith of African-Americans shaped their institutions and empowered their struggle for social justice throughout their history.

'A Fire in the Bones is more than a history of black Christians: it is the compelling story of the ways in which black folk have turned to Christianity to describe their history and plight in America and to project their vision of redemption to the greater nation . . . A must read.' --Craig Steven Wilder, New York Newsday 'A major contribution . . . Beautifully narrated.' --Rembert Weakland, The New York Times Book From the Back Cover 'Raboteau provides the single best general introduction to (Black Church History) so far in print. About the Author Albert Raboteau, Henry W. Putnam Professor of Religion at Princeton University, is also author of Slave Religion.
