3 of 3 people found the following review helpful. Awesome Messageo all ChristianityBy R ScheuermannDr Morgan is one of the greatest theologians ever. He had a unique ability to say more in one paragraph than some more modern writers say in an entire book. He wrote during the late 1800's and early 1900's. He had tremendous insight to God's Word. If you want to know what Jesus was saying to the churches then and now, read this book. If you are looking for something written on a 7th grade level and will make you feel good, this is not it. If you are serious about your relationship with Jesus and willing to look at your own heart and make changes, this is for you. You will be blessed.0 of 1 people found the following review helpful. Excerpt from *A First Century Message to Twentieth Century Christians: Addresses Based Upon the Letters to the Seven Churches of Asia*This book contains the last messages of Christ to men. In some important ways it differs from any other in the Divine Library. John did not receive it by the inspiration of the Spirit in the ordinary sense of that expression, but directly from Jesus Christ, as He appeared to him while in exile in Patmos.About the PublisherForgotten Books publishes hundreds of thousands of rare and classic books.
