Theodore P. Savas, J. David Dameron : A Guide to the Battles of the American Revolution before purchasing it in order to gage whether or not it would be worth my time, and all praised A Guide to the Battles of the American Revolution:

0 of 0 people found the following review helpful. I have found nothing else quite like it. With a modest purchase priceBy kerry cowmanFor a reader with any interest in the subject, this book is a MUST HAVE. My wife and I have a substantial collection of books related to the founding era. I bought this book as a brief overall guide to the battles for

the War for Independence. I wanted something to gain an overall reference point when reading more detailed books. I actually found it so engaging I ended up reading it straight through. It will serve as a battle field travel guide, quick reference and is one of those rare books that can be appreciated by both scholars and novices. I have found nothing else quite like it. With a modest purchase price, it belongs on every shelf.² of 2 people found the following review helpful. Five Stars By TJ SCHOENLEIN Arguably the best battle guide out there. Very easy to read as the authors format covers what you need to know in about 2-3 pages. You get just the facts, both sides perspectives, commanders strategy, time of day, weather, number of soldiers-militia involved, dead/wounded, who won and the impact on the revolution. A good read.³ of 3 people found the following review helpful. Clearly laid outline of many of the battles of the ... By Sherie Ann Peterson Clearly laid outline of many of the battles of the American Revolution. Includes statistics and viewpoint of Patriots and British. I am using it as a resource for my blog at PatriotsAndRedcoats.com

A Guide to the Battles of the American Revolution is the first comprehensive account of every engagement of the Revolution, a war that began with a brief skirmish at Lexington Green on April 19, 1775, and concluded on the battlefield at the Siege of Yorktown in October 1781. In between were six long years of bitter fighting on land and at sea. The wide variety of combats blanketed the North American continent from Canada to the Southern colonies, from the winding coastal lowlands to the Appalachian Mountains, and from the North Atlantic to the Caribbean. Unlike existing accounts, A Guide to the Battles of the American Revolution by authors Theodore P. Savas and J. David Dameron presents each engagement in a unique way. Each battle entry offers a wide and rich but consistent template of information to make it easy for readers to find exactly what they are seeking. Every entry begins with introductory details including the date of the battle, its location, commanders, opposing forces, terrain, weather, and time of day. The detailed body of each entry offers both a Colonial and British perspective of the unfolding military situation, a detailed and unbiased account of what actually transpired, a discussion of numbers and losses, an assessment of the consequences of the battle, and suggestions for further reading. Many of the entries are supported and enriched by original maps and photos. Fresh, scholarly, informative, and entertaining, A Guide to the Battles of the American Revolution will be welcomed by historians and general enthusiasts everywhere. About the Authors: Theodore P. Savas practiced law in Silicon Valley for many years before moving into the world of book publishing. He is the author or editor of many books (published in six languages) including A Guide to the Battles of the American Revolution (with J. David Dameron), Hunt and Kill: U-505 and the U-Boat War in the Atlantic, and Silent Hunters: German U-boat Commanders of World War II. He lives in El Dorado Hills, CA with his wife and children. J. David Dameron received his education at the University of North Carolina. He is retired from the U.S. Army, where he served with the 82nd Airborne Division and the 7th Special Forces Group. He is the author of several books including General Henry L. Benning (2001), Bennings Brigade, Volumes 1 and 2 (2002), Kings Mountain: Defeat of the Loyalists (2003), and A Guide to the Battles of the American Revolution (with Theodore P. Savas).

"GOLD STAR BOOK AWARD FOR HISTORY, 2006, MILITARY WRITERS SOCIETY OF AMERICA" From the Back Cover "Nicely illustrated, comprehensive, informed, and informative history of every single engagement between American and British forces during the American Revolution. . . . Thoroughly 'reader friendly' and a very welcome addition to personal, academic, and community library American History collections in general, and American Military History collections in particular."
