**J. Maxwell Miller, John H. Hayes : A History of Ancient Israel and Judah, Second Edition** before purchasing it in order to gage whether or not it would be worth my time, and all praised A History of Ancient Israel and Judah, Second Edition:

0 of 0 people found the following review helpful. Great BookBy CustomerGreat book. It's well-written and very informative. If you're interested in ANE history, in general, or want a broader understanding of the historical context of the Bible, I'd highly recommend it0 of 0 people found the following review helpful. I highly recommend!!By DEOA very well-written book. I highly recommend!!!1 of 3 people found the following review helpful. Five StarsBy

yvonne i camacho Great book for learning about biblical Israel

This classic textbook, widely used for over two decades, constructs a history of ancient Israel and Judah through a thorough investigation of epigraphical, archaeological, and biblical sources. Approaching biblical history as history, Miller and Hayes examine the political and economic factors that give context to the Israelite monarchy's actions and the biblical writers' accounts. Now updated with the latest research and critical discoveries, including the Tel Dan Inscription, and considering the lively debate surrounding the reliability of biblical accounts, Miller and Hayes's judicious and even-handed portrayal gives detailed attention to the nature, strengths, and limitations of various forms of evidence for understanding Israel's origins and early history. The new edition also includes thirty-four new maps, helpful notes, and numerous charts and photographs.

About the Author J. Maxwell Miller is Professor Emeritus of Old Testament at Candler School of Theology, Emory University, in Atlanta, Georgia.
