I suspect some will wish it were more "academic:" Professor Blenkinsopp relegates most of the scholarly references to endnotes at the end of the book. I also suspect that some will wish that his argument required a less thoughtful reading of the prophetic and historical books: Professor

Blenkinsopp's argument demands a careful, thoughtful reading of the texts to which he refers. The reward of such a reading is a well-informed history of the prophetic movement.0 of 0 people found the following review helpful. For scholarsBy M.
