Rory C. Dicker : A History of U.S. Feminisms before purchasing it in order to gage whether or not it would be worth my time, and all praised A History of U.S. Feminisms:

0 of 0 people found the following review helpful. This is a good introduction to the first waves of feminist movementBy JaymacThis is a good introduction to the first waves of feminist movement. It's a quick read and is especially useful for students interested in stories of the women who led the movement. The data for "Third Wave" feminism needs to be updated, but overall a good overview of feminist movement historically.0 of 0 people found the following review helpful. Five StarsBy Maddie StappLove this book!0 of 0 people found the following review helpful.

Five StarsBy CustomerAwesome book! Great price

Thoroughly updated and expanded, the second edition of *A History of U.S. Feminisms* is an introductory text that will be used as supplementary material for first-year womens studies students or as a brush-up text for more advanced students. Covering the first, second, and third waves of feminism, *A History of U.S. Feminisms* will provide historical context of all the major events and figures from the late nineteenth century through today. The chapters cover: first-wave feminism, a period of feminist activity during the nineteenth and early twentieth centuries which focused primarily on gaining women's suffrage; second-wave feminism, which started in the 60s and lasted through the 80s and emphasized the connection between the personal and the political; and third-wave feminism, which started in the early 90s and is best exemplified by its focus on diversity and intersectionality, queer theory, and sex-positivity.

About the AuthorRory Dicker is the Director of the Margaret Cuninggim Women's Center at Vanderbilt University. A native of New York State, Rory earned a bachelor of arts from the Johns Hopkins University, where she majored in English and minored in French. After completing her PhD in English at Vanderbilt, Rory taught at Westminster College in Missouri for several years before returning to Vanderbilt to teach, mainly in the Women's and Gender Studies program. Rory teaches classes about women and literature, feminist pedagogy, and the history of American feminisms. She is the coeditor of *Catching a Wave: Reclaiming Feminism for the 21st Century*.
