**Mary Beth Norton, Jane Kamensky, Carol Sheriff, David W. Blight, Howard Chudacoff : A People and a Nation: A History of the United States, Brief 10th Edition** before purchasing it in order to gage whether or not it would be worth my time, and all praised A People and a Nation: A History of the United States, Brief 10th Edition:

0 of 0 people found the following review helpful. Five StarsBy pjfor daughter, schooll of 1 people found the following review helpful. Avoid if you are able.By Michael RoeThis book is poorly structured, it's organization is scattered, and the reference guide is often wrong. The editors need to seriously take a better look at their work before submitting the final product. It may be the most poorly constructed textbook I have ever used.2 of 2 people found the following review helpful. Five StarsBy Steven WangFull of details, the only problem is that the paper is too slim.

The Brief Edition of A PEOPLE AND A NATION offers a succinct and spirited narrative that tells the stories of all people in the United States. The authors' attention to race and racial identity and their inclusion of everyday people and popular culture brings history to life, engaging readers and encouraging them to imagine what life was really like in the past.
