My grandson had this book for his social studies class and I read a chapter while he was visiting. It was not the stuffy history books I remember from school days. I ordered it and have been enjoying a different type of history book ever since. It's a most enjoyable and thought provoking read.

As a bonus, I get to carry on conversations about history with my grandson. 0 of 0 people found the following review helpful. It is not as dull as I thought it might be. By Rosalee Bloss I am reading my way through this. It is not as dull as I thought it might be. 0 of 0 people found the following review helpful. History 103 By Customer Pretty good book if you're into history. I purchased this book for my history 103 class and it had all the pages with the correct writing .

It's a wonderful, splendid book that should be read by every American, student or otherwise, who wants to understand his country, its true history, and its hope for the future. Howard Fast, author of *Spartacus* and *The Immigrants* [It] should be required reading. Eric Foner, *New York Times Book Review Library Journal* calls Howard Zinn's iconic *A People's History of the United States* a brilliant and moving history of the American people from the point of view of those whose plight has been largely omitted from most histories. Packed with vivid details and telling quotations, Zinn's award-winning classic continues to revolutionize the way American history is taught and remembered. Frequent appearances in popular media such as *The Sopranos*, *The Simpsons*, *Good Will Hunting*, and the History Channel documentary *The People Speak* testify to Zinn's ability to bridge the generation gap with enduring insights into the birth, development, and destiny of the nation.

From the Back Cover Known for its lively, clear prose as well as its scholarly research, *A People's History of the United States* is the only volume to tell America's story from the point of view of -- and in the words of -- America's women, factory workers, African-Americans, Native Americans, working poor, and immigrant laborers. This P.S. edition features an extra 16 pages of insights into the book, including author interviews, recommended reading, and more. About the Author Howard Zinn (1922-2010) was a historian, playwright, and social activist. In addition to *A People's History of the United States*, which has sold more than two million copies, he is the author of many books, including the autobiography *You Can't Be Neutral on a Moving Train*, *The People Speak*, and *Passionate Declarations*.
