Ignatius of Loyola (Saint), Joseph N Tylenda : A Pilgrim's Journey: The Autobiography of St. Ignatius of Loyola before purchasing it in order to gage whether or not it would be worth my time, and all praised A Pilgrim's Journey: The Autobiography of St. Ignatius of Loyola:

0 of 0 people found the following review helpful. I thought it'd be better. No offenseBy Mark M SeegerA few interesting anecdotes, but honestly, I thought it'd be better. No offense, St. Ignatius. I imagine God can write a better biography--a much, much better one. I didn't bother reading the footnotes/endnotes and such. At times, a bit boring.4

of 4 people found the following review helpful. Fascinating
By C. R. Pakaluk
I've been a Catholic all my life, and only had a vague idea how Ignatius had founded the Jesuits. This autobiography---with carefully researched notes---really changed my perspective on his life and works. What a fascinating guy. Very different from my stereotyped idea of him. Very glad I read this.
3 of 3 people found the following review helpful. A great historical read.
By Donald R.
This was a great study Loyola's journey, the insight provided give us a knowledge of Passion and compassion of the founder of The Society of Jesus. This book also helps us to understand the struggles of a journey with a passion.

Saint Ignatius of Loyola was a man who saw above and beyond his century, a man of vision and calm hope, who could step comfortably into our era and the Church of our time and show us how to draw closer to Christ. Ignatius' autobiography spans eighteen very important years of this saint's 65-year life from his wounding at Pamplona (1521) through his conversion, his university studies and his journey to Rome in order to place his followers and himself at the disposal of the Pope. These critical years reveal the incredible transformation and spiritual growth in the soul of a great saint and the events that helped to bring about that change in his life. This classic work merits a long life. Apart from providing a splendid translation of the saint's original text, Father Tylanda has included an informative commentary which enables the modern reader to grasp various allusions in the text-and to gain a better view of a saintly man baring his soul.
