**James Kirby Martin, Mark Edward Lender : A Respectable Army: The Military Origins of the Republic, 1763-1789 (The American History Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Respectable Army: The Military Origins of the Republic, 1763-1789 (The American History Series):

0 of 0 people found the following review helpful. Five StarsBy Nico VelaA well written book on Republicanism, the

Continental Army, and how America was founded.0 of 2 people found the following review helpful. It's concise and easy to read - they didn't leave anything out not ...By NavychickI had to read this for a class, but I found it very informative. It's concise and easy to read - they didn't leave anything out not did they cram too much information into too small of a book. I would highly recommend to anyone with an interest in history.1 of 5 people found the following review helpful. HlstoryBy Grant AmadoI thought it was a fine recollection of the build up of the american standing army, good parameters of time, I enjoyed it even though it was for a class

A fully revised and updated third edition of the most established and innovative historical analysis of the Continental Army and its role in the formation of the new republic. Written by two experts in the field of early U.S. history Includes fully updated coverage of the military, political, social, and cultural history of the Revolution Features maps, illustrations, a Note on Revolutionary War History and Historiography, and a fully revamped Bibliographical Essay Fully established as an essential resource for courses ranging from A.P. U.S. history to graduate seminars on the American Revolution

"This new edition of a landmark study incorporates the latest scholarship on the Revolutionary War, and presents the conflict in a unified and accessible manner. It is vital to any comprehensive understanding of America's definitive conflict." Edward G. Lengel , Professor and Director, Papers of George Washington, University of Virginia "A Respectable Army is an insightful, well-written account of the enduring legacy of America's war of independence. The authors have done a wonderful job turning their research into an immensely readable narrative." Terry Golway, Director, Kean University Center for History, Politics and Policy "There can be no finer introduction to the military history of the American Revolution and the character of the Continental Army than this classic study." David L. Preston, Professor of History, The Citadel "This new edition of a landmark study incorporates the latest scholarship on the Revolutionary War, and presents the conflict in a unified and accessible manner. It is vital to any comprehensive understanding of America's definitive conflict." Edward G. It is vital to any comprehensive understanding of Americas definitive conflict. Edward G. Lengel, Professor and Director, Papers of George Washington, University of Virginia A Respectable Army is an insightful, well-written account of the enduring legacy of Americas war of independence. The authors have done a wonderful job turning their research into an immensely readable narrative. Terry Golway, Director, Kean University Center for History, Politics, and Policy There can be no finer introduction to the military history of the American Revolution and the character of the Continental Army than this classic study. David L. Preston, Professor of History, The Citadel Now available in a revised and updated third edition, A Respectable Army challenges the iconic mythology of the embattled freehold farmer as the quintessential warrior of the Revolution by presenting the fascinating history of the real Continental army and its role in the formation of the new republic.Through revising this now-classic text, Martin and Lender have compiled the most up-to-date synthesis of historical literature on the period. The third edition also includes maps, illustrations, and a Note on Revolutionary War History and Historiography, a jumping-off point for further research. A Respectable Army will be essential reading for students enrolled in the first half of a survey of U.S. History or specialized courses in the American Revolution or U.S. Colonial or Military History, as well as anyone interested in better understanding the true convictions and motivations of the men and women who composed Washingtons Continental Army.
