following review helpful. An extensive MLK Collection of Writings Speeches By Edgar A. Poe This is a great treasure for those wishing to develop an overview of the writings and speeches made over Dr. King's tumultuous and productive lifetime. In many instances, a context is given to situate the original material. This brings Dr. King alive for the citizen of today, who may only come to know this exceptional American through books, or perhaps other media. Becoming familiar with Dr. King and the movement he led is an integral part of knowing American history. This book does justice to it's title: "A Testament of Hope." 1 of 1 people found the following review helpful. Very Satisfied Customer By Frequent Buyer Some of your other choices are not able to satisfy the customer like Blue Cloud Books. I ordered my books on Sunday and received them on Thursday. Even though my address was incorrect and within minutes I changed it, (my account settings used my old address instead of my new address settings) Blue Cloud Books was able to send my merchandise to the correct address after minutes of my making the corrections. Thank you Blue Cloud Books, A Very Satisfied Customer

"We've got some difficult days ahead," civil rights activist Martin Luther King, Jr., told a crowd gathered at Memphis's Clayborn Temple on April 3, 1968. "But it really doesn't matter to me now because I've been to the mountaintop. . . . And I've seen the promised land. I may not get there with you. But I want you to know tonight that we as a people will get to the promised land." These prophetic words, uttered the day before his assassination, challenged those he left behind to see that his "promised land" of racial equality became a reality; a reality to which King devoted the last twelve years of his life. These words and others are commemorated here in the only major one-volume collection of this seminal twentieth-century American prophet's writings, speeches, interviews, and autobiographical reflections. A Testament of Hope contains Martin Luther King, Jr.'s essential thoughts on nonviolence, social policy, integration, black nationalism, the ethics of love and hope, and more.

This is one of those books you can pick up and begin anywhere. There is so much gold here. (Marianne Williamson, author of *Return to Love*) From the Publisher An exhaustive collection of the speeches, writings, and interviews with the Nobel Prize-winning activist. From the Back Cover "We've got some difficult days ahead," civil rights activist Martin Luther King, Jr., told a crowd gathered at Memphis's Clayborn Temple on April 3, 1968.
