Martha Reynolds : A Winding Stream: The Handy-Hudson Canoe Trip, 1924 before purchasing it in order to gage whether or not it would be worth my time, and all praised A Winding Stream: The Handy-Hudson Canoe Trip, 1924:

1 of 1 people found the following review helpful. Making the Ordinary ExtraordinaryBy P. MitchellA Winding Stream tells the story of two men traveling by canoe through Rhode Island and Connecticut 93 summers ago. The attention to ordinarily details and observations transforms this camping trip diary into a treasure of a travel log. I am impressed

with its stark simplicity and felt as though I were traveling along with these gentlemen from another time. Especially interesting to understand more about CT and RI points of interest. A fun read. 1 of 1 people found the following review helpful. I enjoyed the adventures and their choices of foods. A actual diary. Well done.

In 1924, Earl Handy and John Hudson took a two-week canoe and camping trip that started on the Moosup River in Rhode Island. They paddled to the Quinebaug in Connecticut, connected to the Thames, and ended on the Pawcatuck River. Handy kept a journal of this adventure, and, along with photographs, this book recaptures that trip, 92 years later.

About the AuthorMartha Reynolds is the author of six novels, including the bestsellers *Chocolate for Breakfast* and *Bits of Broken Glass*. She and her husband live in Rhode Island, never far from the ocean.
