**Dave Hunt : A Woman Rides the Beast: The Roman Catholic Church and the Last Days** before purchasing it in order to gauge whether or not it would be worth my time, and all praised A Woman Rides the Beast: The Roman Catholic Church and the Last Days:

4 of 4 people found the following review helpful. Truth or fiction, that is the question. By Bible Vern 5 stars to the

writer but the history of the Catholic Church was so horrific I couldn't continue reading the book. It seemed like fiction but he carefully footnotes his findings. If you are Catholic you won't like the book and if you're not Catholic you won't like it either! It's unbelievable or almost! 1 of 1 people found the following review helpful. This book has been well researched and is very factual. By Rapurdy This well researched book will provide much eye-opening information regarding the past and even present deeds of the Roman Catholic Church and how it fits into prophesy. The book was written around 1994 so doesn't provide any current information but it provides a massive amount of historical data and you will find it quite interesting regarding the lives of some of the popes who reigned over the church. The book will speak for itself. 0 of 0 people found the following review helpful. Expose' on Church Corruption By 1940ryan WOW! A very powerful book on getting off Biblical precepts and into man-made ideas and doctrines. Must have an open mind to absorb all the material; not a closed or empty mind. I don't agree with all of his findings, but well done and recommended for those who want to understand more about the end times and church corruption.

Are you missing half the story about the last days? Virtually all attention these days is focused on the coming Antichrist but he is only half the story. Many people are amazed to discover in Revelation 17 that there is also another mysterious character at the heart of prophecy a woman who rides the beast. Who is this woman? Tradition says she is connected with the church of Rome. But isn't such a view outdated? After all, today's Vatican is eager to join hands with Protestants worldwide. The Catholic church has changed is what we hear. Or has it? In *A Woman Rides the Beast*, prophecy expert Dave Hunt sifts through biblical truth and global events to present a well-defined portrait of the woman and her powerful place in the Antichrist's future empire. Eight remarkable clues in Revelation 17 and 18 prove the woman's identity beyond any reasonable doubt. A provocative account of what the Bible tells us is to come.

About the Author Dave Hunt is an internationally known author and lecturer. He has authored over 30 books with combined sales of more than 4 million copies. Among his bestselling titles are *A Cup of Trembling*, *Global Peace and the Rise of the Antichrist*, *The Seduction of Christianity*, and *The God Makers*. His monthly newsletter, *The Berean Call*, has a readership of more than 200,000 people.
