Herbert Aptheker : Abolitionism: A Revolutionary Movement (Social Movements Past and Present) before purchasing it in order to gage whether or not it would be worth my time, and all praised Abolitionism: A Revolutionary Movement (Social Movements Past and Present):

2 of 3 people found the following review helpful. Very readable.By Mario del Rios Calaf Rios Muniz PinotI'm reading this book now and it is very refreshing and different. I think Mr. Aptheker is very expert with this material since he has written so many other books on the subject. He treats the subject from a radical point of view, which is different from the usual treatment.
