time, and all praised *Advice Among Masters: The Ideal in Slave Management in the Old South* (Contributions in Afro-American and African Studies):

3 of 3 people found the following review helpful. See slavery from the view of slave owners. By Robin Hanson A great resource to hear about slavery from the point of view of slave owners. Yes you may think they are evil, but still if you want to understand how such an institution could have persisted for so long among such modern people, it helps to see how they thought about it.
