Benjamin C. Ray : African Religions: Symbol, Ritual, and Community (2nd Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised African Religions: Symbol, Ritual, and Community (2nd Edition):

1 of 1 people found the following review helpful. greatBy sandra grantThis book is awesome. it give great depth about african spirituals and religions. It the utmost necessary to read to understand African American spirituality0 of 0 people found the following review helpful. Four StarsBy kevon harrisReally good book!0 of 0 people found the following review helpful. Five StarsBy DaniellaWas great for the report I had to do in my Religion course.

This book presents a portrait of African religious history framed in the religious themes common to the rest of the world. It looks at the traditional religions that provided the philosophical, religious, and ethical basis of African

culture. Focusing primarily on traditional African religions and their related myths, rituals, authorities , ethics , and artwork, the book also includes substantial treatment on nationalism, African Islam and Christianity. For anyone who wants to gain an understanding of the relationship between African religion and culture.

From the Publisher This book is a wide-ranging, well-organized introduction to African religious history that focuses primarily upon traditional African religions, but also includes substantial treatment of religion, nationalism, African Islam, and Independent Christianity. From the Back Cover This book presents a portrait of African religious history framed in the religious themes common to the rest of the world. It looks at the traditional religions that provided the philosophical, religious, and ethical basis of African culture. Focusing primarily on traditional African religions and their related myths, rituals, authorities , ethics , and artwork, the book also includes substantial treatment on nationalism, African Islam and Christianity. For anyone who wants to gain an understanding of the relationship between African religion and culture.
