James A. Henretta, Rebecca Edwards, Robert O. Self, Eric Hinderaker : America: A Concise History, Combined Volume before purchasing it in order to gage whether or not it would be worth my time, and all praised America: A Concise History, Combined Volume:

0 of 0 people found the following review helpful. Are you kidding?By CustomerThe book does not read well... At least the beginning parts - since that is all I have gone through. It jumps all over the place and I find myself having to read pages over and over again to figure out what I read. They are in Europe - then their not - then they are back in Europe again... I undersand giving a pre-America to show how America became America - but too much jumping back and forth. Professors need to pick a better book for their classes. Students should be able to read one to two times

through and have an understanding of the concepts. This book does not do that - so far. I hope it gets better.0 of 0 people found the following review helpful.
