**George Barna : America at the Crossroads: Explosive Trends Shaping America's Future and What You Can Do about It** before purchasing it in order to gage whether or not it would be worth my time, and all praised America at the Crossroads: Explosive Trends Shaping America's Future and What You Can Do about It:

1 of 1 people found the following review helpful. Eye-opening FactsBy William HallAs always George Barna provides factual information that makes it easier to point to trends related to Christianity. Having factual information that can be used in developing strategies for improving church experiences and strengthening the Christian experience. Barna's findings related to the church were both eye-opening and concerning. I am pleased that I ordered this book.0 of 0 people found the following review helpful. Five StarsBy Bill ManuelAs usual, Barna has done a masterful job in marshaling the statistical data to highlight some rather disturbing trends.0 of 0 people found the following review helpful. Five StarsBy RogerExcellent book that reveals she re America is headed in our Post Christian Relativistic society.

Today's Most Troubling Trends about Faith and Culture in AmericaWe live in a tumultuous time. Upheavals and reversals in culture, popular opinion, morality, race relations, socioeconomic status, and so much more have entire generations feeling off balance or out of touch. How do we keep pace with the breathtaking rate of change in our society when we can hardly find time to keep up with our racing newsfeeds? And in the face of such enormous cultural forces, is there anything we can do to help shape our culture?With America at the Crossroads, bestselling author and cultural analyst George Barna turns his researcher's eye on the most significant trends of our moment in history, compiling and distilling the most salient information for busy readers who want to shape culture rather than allow it to shape them. Anyone who has felt overwhelmed by our swiftly changing times will appreciate Barna's extensive research and his "bottom line" approach.

From the Inside FlapAmerican culture is changing faster than ever. George Barna tells you how, why, and what you can do to shape your future.We live in a tumultuous time. Upheavals and reversals in culture, popular opinion, morality, race relations, socioeconomic status, and so much more have entire generations feeling off balance or out of touch. How do we keep pace with the breathtaking rate of change in our society when we can hardly find time to keep up with our racing newsfeeds? And in the face of such enormous cultural forces, is there anything we can do?With America at the Crossroads, bestselling author and cultural analyst George Barna turns his researcher's eye to the most significant trends, compiling and distilling salient information for busy readers who want to shape culture rather than allow it to shape them. If you've felt overwhelmed by our swiftly changing times, Barna's extensive research and "bottom-line" approach will help give you the solid ground you're looking for--and show you where we're heading next.|George Barna is the award-winning author of more than fifty books, including bestsellers such as Revolution, The Power of Vision, The Frog in the Kettle, and Transforming Children into Spiritual Champions. He is also founder of Barna Group, a leading research firm that specializes in faith-related surveys. He currently leads the American Culture Faith Institute, which studies and influences faith and politics, as well as Metaformation, an organization designed to help people maximize their potential. George has led several churches and lives with his family on the central California coast.From the Back Cover"America is at a crossroads, and this book will help us navigate the future with greater confidence, wisdom, and authority."--Mark Batterson, New York Times bestselling author and lead pastor, National Community Church"The only way to make the best decisions for your future is to understand the trends of the present. America at the Crossroads is clear, practical, and ultimately hopeful. You owe it to yourself, your family, and your future to read this book."--Dr. John Townsend, New York Times bestselling author, leadership consultant, and psychologist"America at the Crossroadsoffers a panoramic view of the progressive collapse of American society while Christians stand by and watch with seeming indifference. This book provides a necessary prescription focusing on defining a clear vision, restoring a biblical worldview, and embracing personal brokenness before God. How could America go wrong with such a strategy for the future?"--David Barton, historian, bestselling author, and founder of WallBuilders "It's no news flash that American culture and values have undergone massive and unprecedented changes. In America at the Crossroads, George Barna dissects these major transformational changes and explores where we're likely headed next. Frankly, it doesn't matter whether we agree with all of his interpretations or prescriptions for turning the ship around. What matters most is that we get our heads out of the sand and honestly grapple with the hard facts and data he presents, because how we respond will shape the future of the church and American society as we know it."--Larry Osborne, author and pastor, North Coast ChurchAbout the AuthorGeorge Barna founded The Barna Group in 1984. He currently serves as the executive director of the American Culture and Faith Institute, conducting research on governance, elections, worldview, and cultural transformation. He is the New York Times bestselling and award-winning author of more than fifty books, and his work is frequently cited as an authoritative source by the media. A frequent speaker at ministry conferences around the world, he has been on the faculty at several universities and seminaries. George and his wife, Nancy, have three adopted daughters and two grandchildren, and live on the central California coast.
