**Timothy J. Todish : America's First First World War: The French and Indian War, 1754-1763** before purchasing it in order to gauge whether or not it would be worth my time, and all praised America's First First World War: The French and Indian War, 1754-1763:

0 of 0 people found the following review helpful. Five StarsBy C. MillerVery well written and entertaining0 of 0 people found the following review helpful. AMERICA'S FIRST FIRST WORLD WARBy Sam BellTim Todish has written a first class book on the Roger'sRangers in the French and Indian War-for any one who wishes to learn more about this little known topic, then get the book.0 of 0 people found the following review helpful. Five StarsBy B. Faughnan MehrhofAs advertised and Amazon's usual good job of delivery.

Contrary to what many people believe, America did not fight her first World War in the trenches of Western Europe in 1917-1918. The first world war in which America was involved was fought on our native soil, with an impact on our nation's history at least as significant as that of the 1917-1918 war. It determined once and for all which power would dominate in North America, England or France. This popular, accessible, short history has been completely rewritten for this second edition and new illustrations have been added.

"An excellent primer for any student of eighteenth century military history." -- Lt. Col. Ian McCulloch, Former Commanding Officer, The Black Watch Regiment of CanadaAbout the AuthorTimothy Todish shares his lifelong fascination with the French and Indian War. He provided background information for the movie "Last of the Mohicans" and was technical adviser for the award-winning History Channel production "Frontier: Legends of the Old Northwest." His annotated journals of Maj. Robert Rogers is also available from .
