H. W. Brands : American Dreams: The United States Since 1945 before purchasing it in order to gage whether or not it would be worth my time, and all praised American Dreams: The United States Since 1945:

The story of our nation from the A-bomb to the iPhone—from bestselling historian H.W. Brands With keen insight and

an impeccable sense of the spirit of the times, H. W. Brands, one of today's preeminent historians, captures the American experience through the last six decades. As he chronicles politics, pop culture, and everything in between, Brands traces the changes we have gone through as a nation, recounting the great themes and events that have driven America- from the Yalta conference to the fall of the Berlin Wall, Apollo 11 to 9/11, My Lai to "shock and awe." In his adroit hands, movements and trends unfold through a character- driven narrative that shines a brilliant light on America's watershed moments and reveals a still unfolding legacy of dreams.
