Henry Freeman : American Revolution: A History From Beginning to End (One Hour History Revolution) (Volume 2) before purchasing it in order to gage whether or not it would be worth my time, and all praised American Revolution: A History From Beginning to End (One Hour History Revolution) (Volume 2):

0 of 0 people found the following review helpful. A step in the right directionBy Frank De CesareLincoln was the 16

President. Too much crammed into too little space. But if it would get our young people interested in what it took to put our country together it might do a lot of good. 0 of 0 people found the following review helpful. Great review By SallyOne nighter, great review of history after 70 years. A must for older and young reader's. Might use it as bed time story for k thru 4th grade grands. 0 of 0 people found the following review helpful. The rest of the story after 1776 By bookmdano Sent to my brother as he liked "1776" but wanted to know the "rest of the story".

The American Revolution, which had its roots in 1765 with a rejection of British authority to tax the colonies without fair representation and ended with the British defeat at Yorktown, was one of the most momentous events in the history of the North American continent. The odds faced by the colonists were almost overwhelming. Facing the superpower of the day, which boasted a professional army equipped with the latest weapons and the ability to properly finance the war, the rebels were reliant on the goodwill of men to continue fighting without pay and in dreadful conditions. In this book, American Revolution, you will discover the history behind the conflict and why it came about. The chapters lead you through the major events which took place, including the Boston Tea Party and the significant clashes between the armies. Other chapters include; A Series of Oppressions Death and Taxes Out of Many, One War in Earnest Voices of Liberty Independence The rights to life, liberty, and the pursuit of happiness were what gave the colonists the impetus and courage to continue a fight, which at times looked to be a hopeless lost cause at best, to eventually win the freedom they yearned for. The new government they created was unlike anything seen before and became a model for democracies around the world. American Revolution is a compelling read, packed with historical information. If you are a student of the era, or simply want to know a little more about this fascinating period of history, then this book is one you cannot afford to pass by
