Grant Palmer : An Insider's View of Mormon Origins before purchasing it in order to gage whether or not it would be worth my time, and all praised An Insider's View of Mormon Origins:

0 of 0 people found the following review helpful. Great Book!By CustomerThis book is very straight forward and informative. As Grant Palmer taught in the Church Educational System for 34 years and was a chaplin at the Utah State Prison for 13 years, studying the scriptures as much as he did, you couldn't help but see many problems with church history. I would recommend this book to anyone who is doubting their LDS belief system.2 of 2 people found

the following review helpful. A valued supplement to "Joseph Smith : A Rough Stone Rolling" By L. Heath McDonald I especially valued his insight into the Golden Pot and a View of the Hebrews. Also pointing out how so much of the Book of Mormon is actually a reflection of events and issues going on in Joseph's day. I am even more now of the mind that Joseph was nothing more than a master remixer, borrowing from other sources as he created Mormonism. 2 of 2 people found the following review helpful. This was a great piece of informative history By John Brown Thought provoking and well-researched. This was a great piece of informative history. It blew my mind....

Over the past thirty years, an enormous amount of research has been conducted into Mormon origins Joseph Smith's early life, the Book of Mormon, the prophets visions, and the restoration of priesthood authority. Longtime LDS educator Grant H. Palmer suggests that most Latter-day Saints remain unaware of the significance of these discoveries, and he gives a brief survey for anyone who has ever wanted to know more about these issues.

This book will be a good addition to your library. -- Association for Mormon Letters, Jeffery Needle About the Author Grant H. Palmer (M.A., American history, Brigham Young University) is a three-time director of LDS Institutes of Religion in California and Utah, a former instructor at the Church College of New Zealand, and an LDS seminary teacher at two Utah locations. He has been active in the Mormon History Association and on the board of directors of the Salt Lake Legal Defenders Association. He is the author of An Insiders View of Mormon Origins and The Incomparable Jesus. Now retired, his hobby is pigeon fancying. He has four children and eight grandchildren. He and his wife live in Sandy, Utah.
