**Allan Heaton Anderson : An Introduction to Pentecostalism: Global Charismatic Christianity (Introduction to Religion)** before purchasing it in order to gage whether or not it would be worth my time, and all praised An Introduction to Pentecostalism: Global Charismatic Christianity (Introduction to Religion):

1 of 1 people found the following review helpful. Excellent introduction to the new heart of Christianity By WHThe

book starts slowly as a shallow factual survey of numbers and facts, but quickly moves into an inspiring and fascinating examination of Pentecostalism's appeal, its reach and its risks. The passages on theology and the analysis of its emotional resonance particularly with those on the fringes of society are excellent. 0 of 2 people found the following review helpful. Five Stars. Pentecostalism has become the fastest growing Christian movement, particularly outside Europe, and Allan Heaton Anderson is one of the foremost scholars of this phenomenon. His innovative interpretation of Pentecostalism focuses on the serious contribution made by both western and Majority World participants in its development. In this second edition of his leading introductory course book, Anderson presents an updated global history of the movement, which addresses significant events and changes in recent years, and surveys important theoretical issues such as gender and society, as well as politics and economics. The book also offers a comprehensive explanation of the significance of Charismatic Christianity throughout the world, plus its effect upon the globalisation of religion and its transformation in the present century. This new edition will be an important resource for those studying Pentecostalism, Charismatic Christianity, theology and sociology of religion.

"... an indispensable resource to students and scholars of Pentecostalism, Charismatic Christianity, theology and religion." Babatunde Adedibu, *The Expository Times*. About the Author Allan Heaton Anderson is Professor of Mission and Global Pentecostal Studies at the University of Birmingham.
