**From Prentice Hall : Ancient Israel: From Abraham to the Roman Destruction of the Temple (Revised Expanded)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Ancient Israel: From Abraham to the Roman Destruction of the Temple (Revised Expanded):

0 of 0 people found the following review helpful. Four Stars By mindella1 Thanks 6 of 7 people found the following review helpful. Lots of pertinent facts By Floss Craig I wanted this book to help research info from the time of the

prophet Hosea and it has proven to be as useful as I'd hoped. The maps charts gave clarity to time and place, and the book has answered in a short time, some questions as to why the Bible lists only one Israeli king during Hosea's lifetime. I'd like more info on the daily, mundane life of ordinary people back then, but Ancient Israel has given me the big picture with plenty of flavor of the times. 0 of 4 people found the following review helpful. ScrapbookBy sklaw5A scrapbook of essays by well known scholars by Hershel Shanks who seems to spend his career marketing this stuff.

Immensely readable and digestible in just a few sittings, this book examines the complete history of ancient Israel from Abraham to the Roman destruction of the Second Temple in 70 A.D. Offers highest-quality authorship from respected leaders in their fields. Provides numerous color and black-and-white photos, maps, charts, and timelines. Gives a broader sweep of history, starting at an earlier point and/or ending at a later point than other books on the subject. Adds and updates evidence, analysis, and insights of events, based on developments since the book's first edition. Perfect for adult study groups and Bible groups, and anyone who wants to learn more about Israel's history or needs a refresher course.
