**S. Aschheim : At the Edges of Liberalism: Junctions of European, German, and Jewish History (Palgrave Studies in Cultural and Intellectual History)** before purchasing it in order to gage whether or not it would be worth

my time, and all praised *At the Edges of Liberalism: Junctions of European, German, and Jewish History* (Palgrave Studies in Cultural and Intellectual History):

The essays in this volume seek to confront some of the charged meeting points of European - especially German - and Jewish history. All, in one way or another, explore the entanglements, the intertwined moments of empathy and enmity, belonging and estrangement, creativity and destructiveness that occurred at these junctions.

About the Author STEVEN E. ASCHHEIM is Professor Emeritus of History at Hebrew University, Israel. The author of numerous books on German and Jewish history over the last thirty years, his writing regularly appears in publications such as *The Times Literary Supplement* and *Ha'aretz*. In recent years he has held visiting professorships at such schools as Columbia, the University of Michigan, and Trinity College Dublin.
