**Tim Dowley : Atlas of Christian History** before purchasing it in order to gage whether or not it would be worth my time, and all praised Atlas of Christian History:

A new atlas of Christian history has been needed for many years. Now, Fortress Press is pleased to offer the Atlas of Christian History from acclaimed author and editor Tim Dowley. The Atlas of Christian History is built new from the ground up. Featuring more than fifty new maps, graphics, and timelines, the atlas is a necessary companion to any study of Christian history. Concise, helpful text, written by acknowledged authorities, guide the experience and interpret the visuals. Consciously written for students at any level, the volume is perfect for independent students, as well as those in structured courses. The atlas is broken into five primary parts that correspond well to most major introductions to the topic. The final section on the modern era pays significant attention to the growth of Christianity

as a global religion. Extensive maps are provided that illuminate Christianity in Asian, African, and Latin American contexts.
