**Robin Lane Fox : Augustine: Conversions to Confessions** before purchasing it in order to gage whether or not it would be worth my time, and all praised Augustine: Conversions to Confessions:

0 of 0 people found the following review helpful. Four StarsBy CustomerThis an eye opener with wide ranging evidence from Augustine's contemporary society and context - still more to read!2 of 3 people found the following review helpful. This is a beautifully written review of the life of Augustine from birth ...By mtpThis is a beautifully written review of the life of Augustine from birth to the publication of The Confessions. It is bolstered by parallel lives

of similarly situated intellectuals from Libya and Turkey; one Christian and one Christian. Perhaps the most valuable part of the book is the discussion of the heresy that consumed nine years of Augustine's life. (My old brain is not coming up with the name at this point). 2 of 4 people found the following review helpful. Five Stars By John E. Banks This is the best book on Augustin I've found. I especially like the account of Augustine's conversion.

"This narrative of the first half of Augustine's life conjures the intellectual and social milieu of the late Roman Empire with a Proustian relish for detail." --New York Times

Winner of the 2016 Wolfson History Prize "One of the most distinguished and prolific living scholars of Late Antiquity ... Lane Fox ... reveals with remarkable enthusiasm and sympathy the spiritual and intellectual drama of his remarkable subject." *Financial Times* "A fanatically well-researched new account of Augustine." *National* "Robin Lane Fox has now done [Peter] Brown [author of *Augustine of Hippo*] one better.... Fox is such a good writer that interest never flags, and you always feel that 'you are there.'" Mark Lilla, *New York Times* "This book interweaves political, military and personal history to describe in detail the first four decades of Augustine's life... Fox explores everything that is known about the great teacher's life and social world, including his various lovers and intellectual partners." *Economist* "Mr. Fox traces with clarity the development of Augustine's thought, but also of his character.... [He] succeeds in offering us a figure whose inner and outer struggles, whose strengths and weaknesses, do somehow reach across the centuries and touch something profoundly human." *Wall Street Journal* "It is a profound understatement to observe that it was appropriate for Robin Lane Fox, at last, to tackle a biography of Augustine." *Financial Times* "Augustine: Conversions to Confessions is a compelling read.... A page-turner that might last the whole winter long, come spring you'll be all the more enlightened." *Chicago Tribune* "Fox has written an attentive, rich, and compelling book about Augustine which will reward scholars and edify non-specialists. It will also entertain both." *Catholic World Report* About the Author Robin Lane Fox is a university reader in ancient history and an emeritus fellow of New College, Oxford. The author of several books, Fox lives in Oxford, England.
