From John S Burleigh : Augustine: Earlier Writings (The Library of Christian Classics) before purchasing it in order to gage whether or not it would be worth my time, and all praised Augustine: Earlier Writings (The Library of Christian Classics):

0 of 0 people found the following review helpful. A splendid book!By Grazyna Grzesik DecA very useful translation

of the greatest thinker of the 4th century. For professional purpose, namely, academic investigation and for pleasure, if one has interest in the St. Augustine work. Just a splendid book! 1 of 1 people found the following review helpful. Very good
By Simon Very good I would suggest becoming somewhat familiar with Neoplatonism to get more out of it before picking this up though. Augustine is very readable and generally easy to follow. 0 of 5 people found the following review helpful. Augustine: Earlier Writings
By Holly Smith I received my order on time and in perfect condition. I would definitely buy from this seller again.

These are Augustine's writings from the time of his conversion to Christianity in AD 386 until he became Bishop of Hippo in 395-396. Included are eight of the most important treatises from this period in which Augustine's Christian position was being formulated. With each work is a brief introduction and Augustine's own review of the treatise. Long recognized for the quality of its translations, introductions, explanatory notes, and indexes, the Library of Christian Classics provides scholars and students with modern English translations of some of the most significant Christian theological texts in history. Through these works--each written prior to the end of the sixteenth century--contemporary readers are able to engage the ideas that have shaped Christian theology and the church through the centuries.

About the Author J. H. S. Burleigh served as Dean of the Faculty of Divinity and Professor of Ecclesiastical History at the University of Edinburgh in Scotland. He authored a number of books, including Church History of Scotland.
