Michael R. Bergman J.D., Kevin D. Preis Ed.M. : Barron's AP US History Flash Cards, 3rd Edition before purchasing it in order to gauge whether or not it would be worth my time, and all praised Barron's AP US History Flash Cards, 3rd Edition:

2 of 2 people found the following review helpful. Five Stars By Martha L. Helmut excellent 0 of 0 people found the following review helpful. Useful By Avid Reader Lots of information, but for flash cards, almost too much information. However these are time savers and were helpful in reviewing U.S. history terms, people, places, and events to prepare for the APUSH exam. 0 of 0 people found the following review helpful. great By C. A. B. My daughter used these to prepare for her AP US History exam and they were very helpful. It comes with a ring so she could take them to school and study them during study hall; very convenient.

This set of approximately 500 flash cards covers all of the major topics students need to know for the new AP U.S. History exam, including constitutional history, the branches and functions of the federal government, the political party system, lobbyists, the role of media in government, and much more. The cards have a punch-hole in one corner that accommodates an enclosed metal key-ring-style card holder. The ring allows students to arrange the flash cards in any sequence that suits their study needs. A valuable study aid, whether used alone or in tandem with the newly published Barron's AP United States History test prep manual.

About the Author Michael Bergman earned his undergraduate degree at Washington University in St. Louis and his J.D. from Emory School of Law. He is a successful author and entrepreneur, having created the concept for Barron's AP Flash Cards and co-authoring Barron's AP US History Flashcards. Additionally Mr. Bergman created the award winning SAT Prep Game, Numbskull, as well as Getting To The Quad and The Graduate Survival Guide. Kevin Preis is an author of both fiction and non-fiction titles and the owner of Augmental (<http://augmentallc.com>), the content creation and content marketing company. He is also the creator of Go See Campus (<http://goseecampus.com>), the website for high school students and parents planning college visits. Preis received a Bachelor of Arts from Georgetown University with dual majors in Government and English as well as a Master of Education degree from Harvard University's Technology, Innovation, and Education program and an MBA from Tulane University. Originally from the New Orleans area, Preis lives with his family in Atlanta, Georgia.
