National Geographic Society : Battles of the Revolutionary War Map before purchasing it in order to gage whether or not it would be worth my time, and all praised Battles of the Revolutionary War Map:

2 of 2 people found the following review helpful. Nice map...By Beverly PearsonI have searched for individual maps of the battles of the Revolutionary War. This is a fine map. Just be aware that it is ONE map of the current United States with insets of the movements of the armies, labeled with the various engagements. As the description identified this item as "maps of original thirteen....", I give 4 stars as I expected more than one map with insets, etc.0 of 0 people found the following review helpful.
