Should be mandatory reading for all school kids. 0 of 0 people found the following review helpful. Great content but the delivery and the guy reading it ...By Anne Great content but the delivery and the guy reading it are a bit annoying...its probably just me and preference of voice. 0 of 0 people found the following review helpful. Great book. Never did the audio before By cwalker Great book. Never did the audio before. It was great. Listened to a couple chapters on the way to and from work. Enjoyed it .

#1 New York Times bestselling author and nationally syndicated radio host Glenn Beck presents his unique spin on the life and legacy of Founding Father George Washington in Being George Washington now available from Encore for a great value! If you think you know George Washington, think again This is the amazing true story of a real-life superhero who wore no cape and possessed no special powers yet changed the world forever. His life seems as if it were torn from the pages of an action novel bullet holes through his clothing, horses shot out from under him,

unimaginable hardship, disease, heroism, spies, and double-agents. Its those flaws that should give us hope for today. Understanding the way he turned himself from an uneducated farmer into the Indispensable (yet imperfect) Man, is the only way to build a new generation of George Washingtons that can take on the extraordinary challenges that America is once again facing.

About the Author Glenn Beck, the nationally syndicated radio host and founder of TheBlaze television network, is an eleven-time #1 bestselling author and is one of the few authors in history to have had #1 national bestsellers in the fiction, nonfiction, self-help, and childrens picture book genres. His recent fiction works include the thrillers Agenda 21, The Overton Window, and its sequel, The Eye of Moloch; his many nonfiction titles include Miracles and Massacres, Control, and Being George Washington.
