James Carleton Paget : Jews, Christians and Jewish Christians in Antiquity (Wissenschaftliche Untersuchungen Zum Neuen Testament) before purchasing it in order to gage whether or not it would be worth my time, and all praised Jews, Christians and Jewish Christians in Antiquity (Wissenschaftliche Untersuchungen Zum

Neuen Testament):

The book, which consists of some previously published and unpublished essays, examines a variety of issues relevant to the study of ancient Judaism and Christianity and their interaction, including polemic, proselytism, biblical interpretation, messianism, the phenomenon normally described as Jewish Christianity, and the fate of the Jewish community after the Bar Kokhba revolt, a period of considerable importance for the emergence not only of Judaism but also of Christianity. The volume, typically for a collection of essays, does not lay out a particular thesis. If anything binds the collection together, it is the author's attempt to set out the major fault lines in current debate about these disputed subjects, and in the process to reveal their complex and entangled character.

About the Author James Carleton Paget, Born 1966; 1992 PhD at Cambridge University; currently Senior Lecturer in New Testament Studies at the University of Cambridge and a Fellow and Tutor of Peterhouse.
