It's a four-star, though, instead of five because it doesn't have good summaries like JR Marcus (http://www..com/gp/product/087820217X/ref=cm_cr_ryp_prd_ttl_sol_0) for example. Norman Stillman has produced a comprehensive and articulate history of the turbulent and complex relationships in the Middle East that brilliantly captures the people and the history.

Stillman traverses a huge amount of ground, dispassionately and with impressive narrative and skill. The New York Times Book
