**Rapha'el Elmaleh, George Ricketts : Jews Under Moroccan Skies: Two Thousand Years of Jewish Life** before purchasing it in order to gage whether or not it would be worth my time, and all praised Jews Under Moroccan Skies: Two Thousand Years of Jewish Life:

1 of 1 people found the following review helpful. Good chronicle of the Jewish history in Morocco By S. Katz I learned about this book while traveling in Morocco recently. It was not available there so I ordered it on my return to the USA. The book is organized and well thought out and is segmented by geographic reigon so that it would be a great

resource for those who will be traveling to Morocco intending to visit Jewish historical sites. The reader gets a well rounded background on what happened to the Jewish people over time. 0 of 0 people found the following review helpful. A good resource. By reader Lots of good information here but not particularly well written. 0 of 0 people found the following review helpful. Outstanding. By Morocco fan This was a fascinating book. Well written with the perfect mix of emotional and factual background. The authors did a wonderful job capturing the essence of a very special community in Morocco.

*Jews under Moroccan Skies* tells the story of Jewish life in Morocco, describing in realistic detail how Jews and Muslims interweaved their lives in peace for centuries. The authors give us the rich history of Berber Jews, the Moroccan tzadikim, and Jewish mysticism in the country. They also describe the cultural differences between the Judeo-Spanish communities of the North, the Francophone urban Jews, and the Judeo-Arabic and Judeo-Berber traditions. "No chapter in the long history of the Jewish people has more power and more relevance to our contemporary world than Moroccan Jewry. And it is the least known, by far! This wonderful book will draw you into its mystery, captivating and capturing your imagination. If you don't want to be tempted to travel, don't read this book. You will never be satisfied until you see it with your own eyes accompanied by the unparalleled teacher and guide, Raphael David Elmaleh! People all over the world have been waiting for Raphy to put his words down on paper. This magnificent book is the result. It is a gem!" -- Peter A. Geffen, Founder and Executive Director KIVUNIM Founder, The Abraham Joshua Heschel School, New York
