John A. Scott, Robert Alan Scott : John Brown of Harper's Ferry: With Contemporary Prints, Photographs, and Maps (Makers of America) before purchasing it in order to gauge whether or not it would be worth my time, and all praised John Brown of Harper's Ferry: With Contemporary Prints, Photographs, and Maps (Makers of America):

0 of 0 people found the following review helpful. Product Review By Jeremy E. Item came in excellent condition. No tears and no pages missing. A great buy!!!! 4 of 5 people found the following review helpful. The exciting life of an exciting man! By Jens Holzinger If you want to get to know John Brown, his family, his life, his problems and his ways, you have to read this book, from his childhood to his death in Virginia after the raid of Harper's Ferry each station of his life is shown in detail (which makes it sometimes difficult to read with pure pleasure). Before I read this book I knew about Brown as a criminal, a fanatic, a murderer may be. Yes, he was... but you have to know what shaped him to be a fanatic and a murderer. His life was a struggle for freedom, and he was beat hard by life. He came on the wrong way or better: He went too far on the right one. This is a very exciting and helpful book! Just read it!

The Makers of America set offers engaging and inspiring portraits of the private lives and public achievements of some of the most significant people in history. These critically acclaimed volumes make skillful use of primary sources to capture the excitement of a period and provide a rich historical context. They offer a fresh, stimulating

approach to learning about important chapters in history, including many events, movements, and issues often neglected by traditional narratives. Here is the story of the frontiersman single-mindedly committed to freedom.
