It has short well written articles, a variety of topics and tons of graphics. They are like popcorn, just try to read only one. Show this book to your friends or kids who think history is boring or the revolution is ancient history and watch as they page through the book and stop and read. My only comment to the publishers is - Please sir, can I have more!0 of 0 people found the following review helpful. Revolutionary War CrazyBy RETIRED ChefI'm into everything JAR writes and missed a couple of years worth of stories this book contains some of the best stories they had for that year, and I'm going to order the other JAR books ASAP to add to my library so that my grandchildren can enjoy learning of what these men went through to give us the great country. The articleS in the book are written by some of the best historical authors in our Era and are written to I'm form and educate us.1 of 1 people found the following review helpful. Something for everyone Revolutionary War-wiseBy History BoyAnyone interested in the American Revolution should have this book on their library shelf. A myriad of well-documented articles will be found by readers of this 248-page volume, an outgrowth of the online version of the "Journal of the Ameircan Revolution" magazine. Lavish illustrations abound. You don't have to read this book cover to cover. Pick it up, read an interesting essay, then go back another time to read another. You will not be disappointed. Some articles are reprinted from the online magazine, but others are new scholarship created specifically for this volume, like a logistical study of Washington's Christmas day crossing of the Delaware by William Welsch.While I'm not involved in the home schooling community, it occurred to me that this would make an excellent supplement for parents who are interested in enriching a study of the American Revolution for their children, particularly those in middle and high school.This book claims to be Volume I. I can't wait for the sequel!

The Journal of the American Revolution, Annual Volume 2016, presents the journals best historical research and writing over the past calendar year. The volume is designed for institutions, scholars, and enthusiasts to provide a convenient overview of the latest research and scholarship in American Revolution studies. The forty-five articles in the 2016 edition include: Why Did George Washington Become a Revolutionary? by Ray Raphael; Governor Franklin Makes His Move by Thomas Fleming; Enlisting Lasses: Women Who Aspired to be Soldiers by Don N. Hagist; Tides and Tonnage: A Different Take on the Boston Tea Party by Hugh T. Harrington; How Was the Revolutionary War Paid For by John L. Smith, Jr.; Murder Along the Creek: Taking a Closer Look at the Sugarloaf Massacre by Thomas Verenna; The Loyalist Refugee Experience in Canada by Alexander Cain; Lafayettes Second Voyage to America by Kim Burdick; How Paul Reveres Ride was Published and Censored in 1775 by Todd Andrlik; A Melancholy Accident: The Disastrous Explosion at Charleston by Joshua Shepherd; A Spy Wins a Purple Heart by Todd Braisted; Faking It: British Counterfeiting During the American Revolution by Stuart Hatfield.

About the AuthorTodd Andrlik is editor-in-chief of Journal of the American Revolution ([allthingsliberty.com](http://allthingsliberty.com)), and author of Reporting the Revolutionary War (Sourcebooks, 2012), which was named Book of the Year by the New York American Revolution Round Table.
