In 1 Corinthians 14:34-35 it says that it's "shameful for women to speak" and that they should not talk in church. "As the law also says"I could never find a verse in the Old Testament where it said women had to shut up.So at church they would have women preachers and we just ignored this verse but

it always bugged me. Till I read this book and then you learn that in the Talmud which is considered "law" by Jews (but not by Jesus or Paul) it says women are basically morons, who need to shut up. "A woman's voice is prohibited because it is sexually provocative" (Talmud, Berachot 24a). \* "Women are sexually seductive, mentally inferior, socially embarrassing, and spiritually separated from the law of Moses; therefore, let them be silent" (summary of Talmudic sayings). \* "The Talmud Called the Voice of a Woman "Shameful" \* "It is a shame for a woman to let her voice be heard among men" (Talmud, Tractate Kiddushin) \* "The voice of a woman is filthy nakedness" (Talmud, Berachot Kiddushin) So 1 Corinthians 14:34-35 is Paul's retort to a Talmud quoting Judaizer in Corinth who probably freaked out when he saw women baptized in the Holy Spirit prophesying, speaking in tongues, and doing other miraculous kinds of things. That's why Paul tells him (my paraphrase) I know the Talmud too. All people (women too) should desire to speak in tongues and prophesy and if you don't agree you're ignorant so be quiet. This book really drives home the point that tradition based religion really destroys the bible. The Talmud and the Catholic Catechism should both be handled carefully and never raised above the Torah or Bible or you will get something broken. I also learned that the Talmud teaches that it's okay for Jews to lie and cheat Gentiles. This breaks the 9th commandment. Baba Kamma 113a. Jews may use lies ("subterfuges") to circumvent a Gentile. So there are tons of examples where the Talmud makes the law of God (the bible) of none effect. Excellent book if you love the Bible. 0 of 0 people found the following review helpful. Five Stars By Jim Miller Very informative. Gerald Haggi needs a copy!!!!!!! 10 of 12 people found the following review helpful. Every American Christian needs to know what's in this book. By Joe A. This is one of those books that on the surface appears to contain distorted bigoted lies or at best half-truths. However so far everything I have been able to check has proven to be correct. Prior to purchasing this book I also bought a complete 18 volume Talmud set so I could verify it myself. Wow! Much of what is called the word of God by modern Jews is absolute Biblical blasphemy. The worst part is that the American Christian Church has created a Jewish identity that does not actually exist in God's word, and then filtered much of our theology (and along with that the worship of Israel) through those lies. We are embracing lies and think we are on a solid biblical foundation. It is no wonder the American Christian Church is losing more and more influence in our nation. Every Christian, or at least every Christian leader, needs to know the facts revealed in this book.

In this scholarly and deeply considered work, the author documents his provocative thesis that Judaism is not the religion of the Old Testament, but the newly formalized belief system of the Pharisees, which arose in Babylon with the commitment of the formerly oral tradition of the elders to writing, in the wake of the crucifixion of Israel's Messiah and the destruction of the Temple. Basing his findings on authoritative Judaic sources, Hoffman demonstrates that Judaism is a man-made religion of tradition and superstition, which represents the institutionalized nullification of Biblical law and doctrine. Liberating the reader from the accumulated shackles of decades of misinformation, this book shows that Judaism's God is not the God of Israel, but the strange gods of Talmud and Kabbalah, and the racial self-worship they inculcate. Making a relentless case with massive documentation and a lapidary attention to detail, Judaism's Strange Gods constitutes a shocking and original revelation about a subject we thought we knew only too well.
