Robert W. Brown Jr. : Kings Mountain and Cowpens: Our Victory Was Complete (Military) before purchasing it in order to gage whether or not it would be worth my time, and all praised Kings Mountain and Cowpens: Our Victory Was Complete (Military):

0 of 0 people found the following review helpful. American Revolution: Turning point battles in South Carolina. By James B. Lineberry I just finished this book and it was an extremely well written story on these two turning point battle

in the South. It was very informative and kept me engaged on the strategy and tactics employed by the American militia and Continentals (especially at Cowpens), as well as the set-piece strategy and Tactics by Ferguson and Tarleton. Old habits die hard and over time they can, in the long run, have a devastating impact. Like I said, it is a book which addresses the two battle with some very information. I was well pleased with the book. I plan to draw on this book for some key notes for my US History at Spartanburg Community College. Both battles are just a stone's throw from the central campus.....well, maybe Paul Bunyan might have to throw the stones. Ben L. 3 of 3 people found the following review helpful. Two Battles of the Turning Point in the Revolution By JPKirkpatrick What Robert W. Brown Jr. accomplishes in this well written treatise on these two pivotal battles is to bring out in the sunshine the reality of what was accomplished and how it was accomplished, shattering decades of mystic views on the American Revolution. Well written and researched. A MUST HAVE book for the serious investigator of the beginnings of our country. I highly recommend this book! 0 of 0 people found the following review helpful. Five Stars By William Harris This is a very well written book that needs to be on the bookshelf of anyone interested in history.

From the rocky slopes of Kings Mountain to the plains of Hannahs Cowpens, the Carolina backcountry hosted two of the Revolutionary Wars most critical battles. On October 7, 1780, the Battle of Kings Mountain utilized guerilla techniques American Over Mountain Men wearing buckskin and hunting shirts and armed with hunting rifles attacked Loyalist troops from behind trees, resulting in an overwhelming Patriot victory. In January of the next year, the Battle of Cowpens saw a different strategy but a similar outcome: with brilliant military precision, Continental Regulars, dragoons, and Patriot militia executed the wars only successful double envelopment maneuver to defeat the British. Using firsthand accounts and careful analysis of the best classic and modern scholarship on the subject, historian Robert Brown demonstrates how the combination of both battles facilitated the downfall of General Charles Cornwallis and led to the Patriot victory in America.

About the Author Robert Brown is a local historian, history education specialist, and former high school history teacher. Robert graduated with a degree in History from UNC-Charlotte and received his National Board for Professional Teaching Standards certification in Adolescence / Young Adulthood Social Studies and History. He has twice been named a Time-Warner Cable Star Teacher, and was the Daughters of the American Revolution, History Teacher of the Year for North Carolina in 2001.
