It is very difficult to read because of all of the typos, misused punctuation , run on sentences, and misspellings. I suggest you have someone edit it for you and publish a revised edition. I hate to be harsh, because I know you put a lot of time and effort into this, but have another set of eyes review it for you. I think you have a story to tell.3 of 4 people found the following review helpful. People need to know the

truth. By Achota Thank you for taking the time to write your book. You are very fortunate to be chosen by Kochi to enlighten folks about the true nature of the forest people. Sorry you and Violet had to go through so much and be taken advantage of. No wonder Kochi didn't care for that parasitic woman who latched on to you. So glad you escaped and are doing better. Please continue to write more books and thank you for caring about the forest people. 0 of 0 people found the following review helpful. Four Stars By Tim N. A good read, and is related to the other story from a different perspective.

Kochi is a true story of two Bigfoot researchers, that had a unusual encounter with a Bigfoot clan leader, that took them through their way of life for ten years
