**Robert Backhouse : Kregel Pictorial Guide to the Temple (Kregel Pictorial Guides) (The Kregel Pictorial Guide Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Kregel Pictorial Guide to the Temple (Kregel Pictorial Guides) (The Kregel Pictorial Guide Series):

0 of 0 people found the following review helpful. Large color photographsBy M. HeissWe used this over the summer for our Ancient Israel history study -- we used this book to SEE details.The book has a decidedly New Testament slant, relating the sacrifices and the priestly responsibilities directly to Jesus.We made a model Tabernacle and a model Solomon's Temple. have read it and then my friends wanted to ...By myrna bradleyI have read it and then my friends wanted to read it also. So I've let them. They also found it interesting.GGGreat Book thanks.0 of 0 people found the following review helpful. Excellent illustrations and contentBy Joanne D. BrownExcellent illustrations and content. Good brief overview of the temples. The volume on the tabernacle from this same series is quite good, too.

The grandeur of Herod's temple is brought to life in complete detail and full color in this best-selling book.

Seldom have I seen so much packed into so few pages. This beautifully illustrated history of the focal point of Jewish worship from the Tabernacle to the time of Herod's Temple is simply and concisely presented. . . . This volume is a worthwhile addition to your library and its use will greatly enhance your understanding of the structures that the Scripture devotes much space to detailing. (Messenger 2004-06-03)The photographs are spectacular; the text is simple, yet concise and comprehensive. If you want to step back in time for a quiet evening of walking through the Temple, mingling with the priests and Israelites in activities at the ancient House of God, you will not be disappointed. The Kregel Pictorial Guide to the Temple, from cover to cover, is both a marvelous aid for teaching the tremendous truths bound up in the Temple worship and ritual and an illuminating personal adventure. --(Elwood McQuaid Friends of Israel 2004-06-03)From the Back CoverThis book follows the history of Jewish worship from its early days in the Tent of Meeting at Mount Sinai to the first temple building constructed by Solomon. The enlargement of the second temple building by Herod and the subsequent history of the temple mount through the modern era are covered in fascinating detail.
