Henrietta Buckmaster : Let My People Go: The Story of the Underground Railroad and the Growth of the Abolition Movement (Southern Classics Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Let My People Go: The Story of the Underground Railroad and the Growth of the Abolition Movement (Southern Classics Series):

10 of 11 people found the following review helpful. I never thought I was so interested in politics...By A CustomerI never thought I was so interested in politics until I read this book. I Picked it up at the library when I was reading about the Underground railroad. Henrietta was engaging and even funny sometimes. There were of course some hard to read accounts. But this is a very important topic even if the content is very emotional. This book was to the point yet poignant. All in all it was a very good read. It was informative and was from a point af view (African American) that is too often left out of the history books. I learned a lot and it made me just want more. I would definately suggest it for reading for anyone.

The story of the African American struggle for freedom.
