John M. Murrin, Pekka Hmlinen, Paul E. Johnson, Denver Brunzman, James M. McPherson : Liberty, Equality, Power: A History of the American People, Volume 2: Since 1863 before purchasing it in order to gage whether or not it would be worth my time, and all praised Liberty, Equality, Power: A History of the American People, Volume 2: Since 1863:

Understanding the past helps us navigate the present and future. This book teaches readers about American history and exposes them to movies and other forms of popular culture that tell the stories of the nation's past. A highly respected and thoroughly modern approach to U.S. history, LIBERTY, EQUALITY, POWER, Seventh Edition, shows how the United States was transformed, in a relatively short time, from a land inhabited by hunter-gatherer and agricultural

Native American societies into the most powerful industrial nation on Earth. This approach helps readers understand the impact of the notions of liberty and equality, which are often associated with the American story, and recognize how dominant and subordinate groups have affected and been affected by the ever-shifting balance of power.
